

AFPCS SUMMER PROGRAM 2022

Summer School and Enrichment Program (8:15am-3pm)
Extended School Year (ESY) and Enrichment Program (8:15am-3pm)

May 20, 2022

Dear Parents:

Summer School will be offered to all students in K-8th grades. Mandatory Summer School will be required for students who have not met their academic and attendance goals for school year 2021-2022. Programs will be held at our Elementary School, 1722 Cecil B. Moore Ave. Philadelphia, PA 19121.

Rising kindergarten-3rd grade students will receive targeted instruction in phonics, guided reading and emergent math skills. Students in grades 4th-8th will receive targeted instruction on selected PA Common Core Standards. Our summer learning will include grouping students based on data and developing intervention groups that will support their growth.

Students who have not met our attendance requirements during the 2021-2022 school year will attend summer school to compensate for missed days and instruction. Mandatory Summer School letters will be distributed during the **week of May 23rd**.

8th Grade: Eighth graders who have not fully met academic and attendance requirements will be required to meet all graduation requirements by attending Summer School. Eighth grade Mandatory Summer School letters will be distributed during the **week of May 23rd**.

Below is the schedule for Summer School and Enrichment Programs:
